

Shelving

Ranger's shelving and bin system is unique in the industry; it combines the strength and rigidity of aluminum extrusions with a solid substrate shelf base, to give a shelf tray that is strong, lightweight and very quiet. Shelving and bin units are available in hundreds of different configurations of height, length and shelf depth. Use the application guide to find the shelving units, bin units and Fold-Away shelving that are the perfect application for your next work vehicle.
